

Your Payment Processing Partner

ADDRESSING THE PAYMENT NEEDS OF BUSINESS

How to Select a Merchant Services Provider

A Guide to Help You Decide

Quality vendor relationships are important. Understanding the differences between service providers is critical when determining who to select as your partner. Vantage features the best value package of price, terms, service, solutions and incentives available in the payments industry.

Better Rates & Pricing Structure

Vantage focuses on your bottom line cost of service and helps your organization qualify for the lowest possible Interchange rates available.

Unbeatable Rates: Transparent Interchange pricing plans eliminate Mid and Non qualified tiers.

Reduced Fees: No monthly minimum fees, batch closing fees or annual service fees.

If you are currently accepting credit cards, let us run a detailed analysis for you.

Signs that you are paying too much...

- ▶ You are quoted same rates for both MasterCard and Visa
- ▶ You have only one Qualified Rate
- ▶ You pay Mid & Non Qualified Rates
- ▶ You sign a "Lease" for credit card terminal equipment

Superior Contract Terms

At Vantage, we make it easy to set up a merchant account to accept credit & debit cards.

- ▶ No Application Fee
- ▶ No Long Term Contract
- ▶ No Early Termination Fees

Make a no risk decision to select us as your merchant services partner.

Personal Service

Vantage is a full-service provider—we don't outsource service. From sales, to deployment and implementation, to ongoing support, your account relationship team is all under one roof. Vantage provides a personal point of contact verses the standard mass call center approach to service found throughout the industry. We are your local payment system advocate.

Vantage Points Rewards

We add value beyond what's available with your ordinary providers. If you like earning points & miles when you use a credit card, now you can earn rewards when you accept credit cards. Use your Vantage Points for rewards at airline, hotel and gift card partners.

Payment Solutions

A full service provider of credit, debit, check, gift, pay card and trade credit payment solutions.

- Credit Card Processing
MasterCard, Visa, Discover, American Express
- PIN Debit Processing
Star, Interlink, Maestro, Pulse, NYCE, etc.

How to Get Started

Allow us the opportunity to present a detailed savings analysis, comparing your rate and fee structure with Vantage Interchange pricing. There is no obligation, just good information that will empower your business.

Simply fax or email your current merchant statement or call to arrange a personal visit. You will find this savings review different than others you may have seen in the past.

Thank you for the opportunity to earn your business!
