

The new look of payroll...

Reduce costs by increasing direct deposit to all.

With **cutting costs** on everyone's mind, eliminating paper payroll checks with this free Spend Management tool is the perfect solution. The **TFG Visa® Payroll Card** allows every employee to participate in your current direct deposit system, which means every employee saves money. Employees can withdraw cash from ATMs, make purchases or opt for cash back at millions of merchant locations, and completely eliminate all check cashing fees!

Best of all, this program saves your organization money by reducing paperwork, eliminating lost checks and stop-payment fees, increasing productivity, and streamlining the entire payroll process.

If you think this is your run-of-the-mill payroll card, think again!
